

Line Styles

Inspect3D Line Styles

Specify line style you want to define. You can specify a line style for:

- Query (Group)
- Workspace
- Condition
- Exclusion
- Classes
- Vertical Line

Line Style

- Thickness: thickness of line
- Line Style: style of line
- Scatter Style: highlight each data point (ex. "X")
 - Scatter Size: size of data point

NOTE: You can draw just the line, or just the data points by setting Line Style or Scatter Style to None.
