

Report3D Tool Bar

Introduction

The Tool Bar is initially split in two with the File Management, Cut & Paste, Open/Close Window, Navigate Pages, and Add/Remove Pages buttons found at the top of the screen with the Insert Object and Move Objects buttons found at the bottom of the screen. The Tool Bar elements can be moved around and re-sized using the set of vertical dots to the left of each element. In the picture above the second set of dots from the left are highlighted with a red box.

Tool Bar Sections

File Management

New - This button creates a new empty Report3D document.

Open - This button opens an existing Report3D document.
