

Subject_Prefixes

Subject Prefix: In the C3D file, there is a parameter to specify the subject prefix.

✕

* This should be specified by your motion capture system.
* The subject prefixes can be different from C3D file to C3D file

✕

When using multi-subject data, if the subject prefix is specified in the C3D file, you can select which subject to create segments for by specifying the subject prefix.

✕
