

2026/09/14 12:48 1/1 Add an Image to a Report Pipeline

Attached is a pipeline example of how to add images to a Visual3D report. The example adds an image from each of three sequential numbered trials with the images position on the page based on the number in the name of the c3d file. This example demonstrates:

Add an Image to a Report Pipeline

Adding an image to a report Processing sequential numbered file using a For_Each loop. [Animation Exports](#)]
